Dave -

Wanted to check in with you on your request for a call. EPA can reach out to DEP to schedule something for tomorrow. EPA folks are available at 1:00 or 1:30.

Dave -

Unfortunately, we are not going to be able to do a call on Monday. Staff are looking at Tuesday options, but most likely will be before 1:00pm EST. Have you already reached out to PADEP regarding a meeting with EPA, or do you want us to contact? If you have reached out, can you share the names, we want to make sure we have the right level folks on the call. Also, again it would be helpful to have questions in advance. Thanks

Pamela

Not a problem. Can we schedule something for Monday or Tuesday? Please forward some times that work best for all. Also, it would be helpful if you could forward some of the questions you have in advance of the call.
Thanks.
